Dear Community Partner,

Be Part of the Art! Collaborate with the Ashtabula Arts Center!

On behalf of the Ashtabula Arts Center, I am writing to invite you to join us by collaborating as a Creative Care Partner this fiscal year.

As a cornerstone of cultural enrichment in Ashtabula, Ohio, our organization is dedicated to building an inclusive community where creativity thrives, arts are accessible, and diverse voices are celebrated. Our programming includes classes and workshops, private instruction, staged productions, concerts, outreach, public art projects, and gallery exhibits and sales.

As you know art and wellness go together and allow us to heal in many ways. According to the World Health Organization, "The creation and enjoyment of the arts helps promote holistic wellness and can be a motivating factor in recovery. Including the arts in health care delivery has been shown to support positive clinical outcomes for patients while also supporting other stakeholders, including health care providers, the patient's loved ones and the wider community." The Ashtabula Arts Center's outreach and programming can do just that.

Your support as a Creative Care Partner would enable us to:

- Continue offering both on and off-site, multi-arts programming for clients of all ages and abilities
- Continue producing amazing dance, music, and theater productions, as well as filling our gallery with exhibitions that are free and open to the public
- Give us the ability to offer financial aid, scholarships, and pay-what-you-can ticketing to the community

We offer a variety of Creative Care Partner levels with benefits including:

- Recognition on marketing materials, signage, and our website
- Reduced registration fees for outreach programming, where we would come to your organization's site for workshops and classes
- Complimentary and reduced group rate tickets to our productions and shows
- Opportunities for meaningful employee engagement and community visibility

We would be honored to discuss how becoming a Creative Care Partner with the Ashtabula Arts Center can align with your organization's care goals.

Please feel free to reach out to me directly at 440-964-3396 or director@ashtabulaartscenter.org to discuss these opportunities and schedule a meeting. I would love to speak to you more about how you and those that you serve can be part of the art!

Thank you for considering this opportunity to be part of the creative heartbeat of our community.

With sincere gratitude,

Lori Starling
